

Cell Phone Policy:

[In order to preserve the sanity of our fellow customers, we ask you to turn off your cell phones during your stay at Schuhs' Saloon. In management's opinion, nothing is more annoying than someone yapping on their phone while you try to relax and watch the game. Anyone violating this policy will be asked to leave. Repeat offenders will have their cell phones confiscated and destroyed.]

We appreciate your cooperation regarding this policy.

Enjoy your stay.
